

# DELIVERING MEDICATION THERAPY MANAGEMENT SERVICES

## IN CONJUNCTION WITH THE VSHP SPRING SEMINAR

APhA's Delivering Medication Therapy Management Services certificate training program (3rd Edition) presents a systematic approach for developing, implementing, delivering, and sustaining MTM services. It includes an overview of the marketplace for delivering MTM services, guidance for implementing MTM services in pharmacy practice, a review of the essential skills and knowledge needed for performing MTM successfully, and an organized process for identifying medication-related problems. The purpose of this certificate training program is to prepare pharmacists to improve medication use through the delivery of MTM services in a variety of practice settings.

### The goals of this program are to:

- Advance public health and patient care through improved medication use
- Provide training to enhance pharmacists' ability to effectively provide MTM services
- Motivate increased numbers of pharmacists to establish MTM services
- Communicate benchmark practices for providing MTM services

APhA's Delivering Medication Therapy Management Services certificate training program has three components: online interactive self-study with assessment; the live seminar with online evaluation; and post-seminar case exercise. A Certificate of Achievement will be awarded to participants who successfully complete all program components, including an evaluation.

### Key Learning Objectives of the Live Training Seminar

At the completion of this activity, the participant will be able to:

- Conduct a thorough medication therapy review (MTR)
- When interviewing a patient, employ effective communication skills to overcome communication barriers
- Complete a personal medication record (PMR)
- Develop a medication-related action plan (MAP)
- Document medication therapy management (MTM) services in a manner that allows for evaluating patient progress, billing, and tracking clinical and financial outcomes
- Create a plan for patient follow-up
- Assess patient-specific data and issues, and interpret these findings to identify medication-related problems
- Develop a patient problem list and a list of the patient's medication-related problems
- Establish goals of therapy for each medical condition and medication-related problem identified
- Make recommendations for resolving situations in which a patient's medications are potentially inappropriate

### Speakers:

Kelechi C. Ogbonna, PharmD, CGP  
Assistant Professor in Department of Pharmacotherapy & Outcome Science  
VCU School of Pharmacy

Patricia W. Slattum, Pharm.D., Ph.D., CGP  
Geriatric Pharmacotherapy Program Director  
VCU School of Pharmacy

### Date and Location:

**THE WESTIN VIRGINIA  
BEACH TOWN CENTER**  
4535 Commerce Street  
Virginia Beach, Virginia 23462  
April 10, 2016

Rate: \$150 for VSHP conference attendees  
\$225 for VSHP members  
\$275 for General Public

Time: 8:00am-5:30pm

To register - <http://goo.gl/forms/RcfC3kEiVn>

- Discuss the elements of an effective medication therapy recommendation to another health care practitioner
- Describe the medication use concerns and adverse drug events that are more common in elderly patients
- Account for pharmacokinetic and pharmacodynamic changes when reviewing an elderly person's medication regimen
- List important considerations when determining the operations of an MTM service
- Identify potential payers for MTM services
- Explain how to bill for MTM services using CPT codes
- Describe strategies for marketing MTM services
- Describe emerging opportunities for delivering MTM services

ACCREDITATION STATEMENT: The American Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education as providers of continuing pharmacy education. Credit for Live Seminar MUST be Claimed (not just completed) within 60 days of the date of the live training. Credit for Self-Study and Post Cases MUST be Claimed before November 1, 2017. Upon successful completion of all the activity requirements, a Certificate of Achievement will be available via the My Training page after logging into [www.pharmacist.com](http://www.pharmacist.com). The self-study learning component of Delivering Medication Therapy Management Services certificate training program is approved for 10 contact hours (1.0 CEU) of continuing pharmacy education credit (UAN 0202-0000-14-158-H04-P; 0202-9999-14-158-H04-P). The live training seminar is approved for 8 contact hours (0.8 CEU) of continuing pharmacy education credit (UAN 0202-0000-14-159-L04-P; 0202-9999-14-159-L04-P). The post-seminar exercise is approved for 3 hours (0.3 CEU) of continuing pharmacy education credit (UAN 0202-0000-14-160-H04-P; 0202-9999-14-160-H04-P). Release Date: November 1, 2014 Expiration Date: November 1, 2017 - ABSOLUTELY NO CREDIT @GRANTED AFTER THIS DATE. Activity Type: Practice-based Target Audience: Pharmacists in all practice settings
